The Temples of Baal

Sir David Andrew

9th Edition

Comprehending the beast with which you are dealing:

The Court is the synagogue. The Temple of Baal, enforcing Babylonian Talmudic Law. The gate (or bar) is the veil. {one enters to give sacrifice} The bench is the alter. The Black Robed Devil (the judge, administrative magistrate) is the high priest. {vicarius dei} The Attorney [from Latin, attorn = to twist or turn] is the mediator. {vicarius filii dei} The attorney's job is to move one into Roman 'Civil Law' Jurisdiction and then quickly into Code and Rule Pleadings (Babylonian Law); remember he is a devil, too.

Common Law is moot, since these are not Article Three courts. The bailiffs, clerks, and stenographers are the high priest servants. [They are there to accept and make record of the sacrifice.] If one enters the veil, one is there (and is expected) to give sacrifices. The fine is the wave offering; given to escape the threat of punishment. The court cost is the heave (tribute or gift) offering.

If you enter voluntarily, then just give your sacrifices and be a good little slave and stop wasting the Court's time. If you hire an attorney then you have volunteered, as sheople lead to slaughter and you will get what you deserve.

How can one plea, if they "do not understand the nature and cause of the charges"? And if one is coerced to enter a plea, then that plea would have to be "Non assumpsit, Without prejudice" or "Non assumpsit under duress", "...a plea by which Defendant avers that "he did not undertake" or promise as alleged by the plaintiff" with "no rights...waived". - Black's Law 6th Ed. A better plea is "Plea in Bar"; however, one must know proper procedure well and how to set it up, to make this one really stick.

If one enters plea of NOT GUILTY, one just might as well Plea Nolo Contendere and get it over with; because one will loose anyway, since Not Guilty is a negative and it is impossible to prove a negative. The proper Plea would be a Plea of Innocence, which is a positive Plea, something which can be proven. However, Devils seldom allow Plea of Innocence. Remember, too, that these are courts of controversy. Learn ways and methods of avoiding controversy. These courts can, only, proceed in controversy.

THE BELLIGERENT CLAIMANT

THE TEMPLES OF BAAL

SIR DAVID ANDREW

"The privilege against self-incrimination is neither accorded to the passive resistant, nor the person who is ignorant of his rights, nor to one indifferent thereto. It is a fighting clause. Its benefits can be retained only by sustained combat. It can not be retained by attorney or solicitor. It is valid only when insisted upon by a belligerent claimant in person."

"The one who is persuaded by honeyed words or moral suasion to testify or produce documents rather than make a last ditch stand, simply loses the protection. Once he testifies to part, he has waived his right and must on cross examination or otherwise, testify as to the whole transaction. He must refuse to answer or produce, and test the matter in contempt proceedings, or by habeas corpus. -- United States v. Johnson, 76 F. Supp. 538, 540 (District Court, M.D. PA. 1947) Once one hires an Attornor, and tell (testifies to) the Attornor (the enemy's spy, an Officer of the Court) what has happened, the Attornor is required by law to share (Discovery) ALL evidence, which he obtains from his Client, with the Prosecutor. "You have the right to remain silent, everything that you say (to any of these devils), CAN and WILL be used against YOU." Miranda v Arizona, 384 US 436(1966). You would be wise to remain silent! "Open mouth, insert foot!" It is all a game, you are a pawn; and it has been prearranged for you to be the loser. Here is another good one, learn to answer a question with question. The master asks the question and the slave or servant answers. Remember what is quoted in paragraph above?

If one answers a question, then never give them the answer they need or desire to gain jurisdiction to proceed. A good example: What is your name? My mother calls me 'son'; or What is not correct try again! Learn to relax and have fun with these devils. Remember it is only a game; however, the joke is intended to be on you and at your expense. Learn to turn it around.

If for some strange reason, one appears at Bar, then one must OBJECT to false statements made by Attorners at Bar and take EXCEPTION to false statements made by the Black Robed Devil. Failure to do so, is the waiver of your right. One NEVER 'objects' to a statement by the Judge; take exception. Never APPEAR 'Pro se', 'Pro per' or 'Pro' anything, not even 'In propria persona'. Never allow the Black Robed Devil to proclaim that you are there 'Pro se', 'Pro per' or 'Pro' anything. Always, ALWAYS, take EXCEPTION. One does not OBJECT to the Judge's utterances, one takes EXCEPTION. One OBJECTS to the Prosecutor's utterances. The Supreme Court in all of its ultimate wisdom made this ruling about those who APPEAR 'PRO SE': "If there is any truth to the old proverb that '[o]ne who is his own lawyer has a fool for a client,' the Court by its opinion today now bestows a constitutional right on one to make a fool of himself." -- Faretta v California, 45 L Ed 2d 562, 592 (1975); also, found at last page of 422 US 806 and 95 S Ct 2525. To become a good belligerent claimant one needs to learn the "Faretta Defense".

The court nor the state does not have the right or the need to know ones, family, work, military, educational or religious background. All that is needed is that one is able to read, write and speak America's English. Stop, volunteering information. The more information one volunteers the more these devil have to use against their victim. If one, out of necessity, must be present, then that presence, not appearance (things unseen are that which appear), should be 'sui juris' by one's own Right or 'suæ potestate esse', the lord or master of the soil (self rule). The latter require knowledge of law to successfully use. To

THE TEMPLES OF BAAL

SIR DAVID ANDREW

appear 'Pro Se' or 'Pro' anything is to accept a temporary appoint to the BAR, an acronym {British AristocRATIC Regency or British Accreditation Registry}. Attorney's are Esquires. Esquires are apprentice Knights or Squires, who are practicing to become Squires and you pay for their practice. The Florida Bar as an example has 70,000 members; however, less than 2,800 members are Certified as Competent by the BAR. Do you really wish to be one of their guinea pigs? It should, also, be noted that the United States Supreme Court in ALL of its ultimate wisdom gave full immunity against both civil and criminal prosecution for perjury to Judges, Attorneys, Court Reporters, Stenographers, Law Enforcement Officers and Expert Witnesses, who testify for the STATE. They all have received an indulgence (permission or license) to BEAR FALSE WITNESS again YOU on behalf the State. Witnesses, such as Shrinks and Psychos, Sorcerers, receive a handsome amount of filthy lucre from to Court to lie against you, usually \$500 to \$5000 for their services. Read it and weep, *Briscoe v LaHue*, 460 US 325; 75 L Ed 2d 96, 103 S Ct 1108. Do you really want to play cards at their table? Expert witness means someone with a sheep's skin, who agrees with the party paying for their services. Welcome to the Fascist States of the United States, a British Crown Slave State or Plantation The Black Robed Devil (false accuser) is GOD (false deity, demon) [vicarius dei = substitute for deity; The Defense Attornor is the vicarius filii dei = substitute for the son of deity] All other officers are lesser deities. Therefore, stop using the term God. PERIOD. What part of the word stop <STOP> do you not comprehend. God = Gaud (old English) = Gâd (Hebrew, SH #1408 and 1409) = the deity of good luck, good fortune, or troops; a deity of Babylon (The Masonic Luciferian Idol, which stand in New York Harbor). You ask any Black Robed Devil for your God-given rights and he will give them to you, maybe even 5 to 10 in one of their iron bar hotels or dungeons. Get the point! One is hung by their own tongue. They do not speak English.

ALL Officers of the Court are Directors, Collectors or Representatives of the IRS. Federal Civil Rules, Rule 81(f). {The Supreme Court has arbitrarily remove this section, definition for "Officers of the Court", from public view. They in their altiment wisdom decided that the public did not have the need to know. }

Devil (SG #1228) = false accuser. idols = demons (SG #1140) =idols, false deities.

The term GOD is not synonymous or interchangeable with the term deity, since GOD is the name of a false deity, a demon.

Never does the term GOD mean or apply to Creator, **NEVER!**

Welcome to Babylon!

THE TEMPLES OF BAAL

SIR DAVID ANDREW

I want my Creator (YHVH -Yahavah) given Rights or unalienable Rights, because I am an heir of The King, not a servant of Baal. "Membership has its privileges." namely the cloak of sovereignty, not that one is sovereign, but that one is cloaked with sovereignty. Remember, is there enough evidence to convict you of being the bride of Christian (the anointed)? If you keep not Yah's Laws (The Law of Love and the 679 Statutes of Liberty) in the Book of the Law (Geneva Bible) (KJV is the Masonic State Religion Bible, the NIV is the UN Bible.), then the claim to being sovereign is MOOT. One is not sovereign, one is the heir elect of the sovereign, and is cloaked with sovereign immunity. To claim sovereignty is to self proclaim to be deity. Dumb move! This Black Robed Devil, remember he is an Attornor, a twister, will do everything to trick his victim into braking the Law {the Creator's Law, the supreme Law of the Land [not the CON CONStitution]; i.e., America, the Heavenly Kingdom} and thereby gains jurisdiction. Selah! Think of that! He, only, gains jurisdiction if one voluntarily give it to him. Christians (heirs of Messiah) can not take an oath (Talmudic or Luciferian in origin) or sign an affidavit in their form. (Matthew 5:34-37; James 5:12) There is a way of escape through, 28 USC 1746 (1). Though, a better way of escape is by recording Surety Bond in Twenty-one silver Dollars and filling UCC1, based on Private Security Agreement; thereby, securing your "transmitting utility" or commercial "vessel". It is all a matter of "Through The Looking Glass". Pawn Queen eight, Check Mate!

Side NOTE: The term christ is a verb and means "to anoint". A verb cannot be the subject or object of a sentence. The term Christian (Gr) = Messiah (Heb) = the Anointed. The term "Christians" means heirs of the Anointed. However, beware that if one successfully proves to be one of Christian's subjects there is a high probability that these devil will attempt to commit one to prison for the insane, in order to force one to do time, anyway. It is a loop hole, by which they circumvent their own laws. Basically, they cannot imprison Christians in their system, they imprison felons, CONS and WARDS, and malefactors (male and female, criminals); therefore if they cannot make or convert a servant of Christian into a Felon by their CON game, then this is the simple solution, "Baker Act" this non conformist, declare the victim to be NUTS, a ward of the court, seize Jurisdiction by force, and commit follower of Christian, then shoot the victim up with drugs (the practice of Sorcery, Gal. 5:20; Rev. 21:8), after a period of a few months, MAGICALLY, no more disciple of Christian, but a zombie instead, which can easily be controlled. If they are able to perpetrate this fraud long enough, Believer becomes mentally DEAD. They literally fry your brain with chemicals (drugs and poisons). Problem solved. Next! Folks, this is what took place in Nazi Germany and now in the United States of Amerika.

Over 7000 prisons have been MURDERED at Chattahoochee, alone, since its opening; and at least 30% of those, who are there, do not belong there, they are consider enemies of the STATE. And, while being locked up in that HELL, the State becomes busy seizing all of the assets and properties of their victims, sometimes it is in the millions. Christians cannot or should not enter at the gates of Baal, nor into contracts with devils [e.g.-- signing into the iron bar hotel, posting bail, the hiring of an Attorney or plea bargaining]. Christians can give or sign 'asseverations' or 'declarations of truth' in the form of Affidavits {28 USC 1746 (1)}. If at all possible, Christians must stand firm in 'commons' and not go in at bar. It is best to do everything in writing beforehand, outside the sanctuary of the Temples of Baal.

THE TEMPLES OF BAAL

SIR DAVID ANDREW

Entering Security Agreement with ones "Vessel" or "Transmitting Utilities", Recording a UCC-1 Form (financing statement) with Addendum and Recording Twenty-one Silver Dollar Surety Bond beforehand for starters, followed by "Acceptance for Value" and then "Return for Cause under lawful Protest without Recourse", Abatement, and Petition for Bill of Particulars or More Definitive Statement or Presumption, Notice and Demand to Strike are all good steps to secure one's freedom prior to Arraignment.

WARNING! There are FOOLS out there, who continually toot the STRAWMAN theories and nonsense. Let's set the record straight, a strawman is a FELON. To claim to be a strawman is an admission to being a FELON. In Title 27 of United States Code and in Real Estate law, a strawman is someone, who makes an illegal purchase or transaction.

However, in the Wizard of OZ (ounce), the Bankster, of the Emerald City (the city of green, the Federal Reserve) Dorothy is accompanied or followed by a strawman, (a mindless corporate fiction) and a TIN man (Tax Identification Number), and cowardly lion (the king of this jungle in which we now live, representing government, who are afraid of the Banksters and Attorneys), and Toto (a term meaning, all or total).

Remember the Black Robed Devil wanted it (the farm) ALL from the beginning.

The street of GOLD lead to the Federal Reserve. Did you note that the servants of the Black Robed Devil, were winged ape like creatures, who are ready to swoop down on their victim at any second? The Banksters and Attorneys had dumbed down the general population to half wits. The TIN man was carrying and holding up an ax, a symbol of FASCISM, to which Dorothy, unknowing, gave new life or rebirth.

In attempt to stop Dorothy from getting to the Bank, the Black Robed Devil placed before Dorothy a field of poppies. Dorothy, Toto and the Lion fell into a drunken steeper. Remember, opium and heroin come from poppies. What happens next? Dorothy's corporate fiction and tax number cried out to SATAN CLAUSE for a quick fix. Satan Clause gives them SNOW, cocaine; everything is better now. What a scam! And, the American sheople have bought it hook, line and sinker, since the last three Presidents of the United States have ALL be notorious DRUG SMUGGLERS.

Too, it should be noted that the Black Robed Devil was extremely jealous of Dorothy. She wanted Dorothy's slippers. Slippers represent protection, mobility and means of movement. By taking Dorothy's slippers, Dorothy's ability to travel, work or witness would become limited. Remember, Dorothy was still of sound mind, which is more then I could say for the balance of the population. In the movie the slippers were Ruby, representing life itself; life is in the blood. The Black Robed Devil wanted to complete and TOTALLY enslave Dorothy. Ruby, is red, representing blood, which anyone, who is a Christian knows and comprehends that REDEMPTION is by the blood of the Lamb.

Like Simon the Sorcery, the Black Robed Devil was attempting attain redemption by some other means, then submitting to the Kingship of Yahshua Messiah.

However, in the original text of the book (1900), the slippers were silver, representing the people as having some wealth. In the movie the Banksters had already stolen the Gold (1933), but the American people still had silver Coin until 1965.

THE TEMPLES OF BAAL

SIR DAVID ANDREW

One should be very leery of Payriots for profit, who are selling so-called redemption packages and snake oil; especially, if they use the term STRAWMAN. They some how confuse or intermingle redemption, presentment and strawman. The Babylonian method of redemption involves the preparation of three documents (bonds) and one letter. The knowing how to prepare these and where to record these is the key. The Black Robed Devils have no mercy and will not allow room for any mistakes.

Presentment is the action taken against public officials, who damage you; and can ONLY be accomplished, if so-called redemption has been perfected.

In essence, the so-called redemption and presentment are similar, since these both involve bid bond, surety bond and performance bond, but for the most part are not referenced as bonds. However, court processes also involve these same three bond processes. Remember this, in Babylon, first in time WINS.

An officer issues a citation or complaint, the bid bond. They then come looking for your corporate fiction, your shadow. They find you and take you captive (like the winged monkeys took Dorothy), since they consider you to be the fiduciary for the mindless fiction or strawman (a felon, guilty before proven innocent). They drag you before some administrative magistrate, who converts you into the surety by conning you into posting bond, a booty that he and the officers receive a portion, thereof. Which then, makes you liable for whatever performance bond is determined by the Black Robed Devil some time in the future. They steal both your wealth and your time.

Accepting RE-presentation, Appearing (Except by SPECIAL PRESENCE), stating ones name on or for the Record, or entering PLEA are sure losers. Each of these grants jurisdiction. Never state ones 'Nom de guerre' or name, NEVER! NEVER! A case must be won prior to or at Arraignment. There are two things, which these DEVILS cannot do to their victims; they cannot arraign or sentence anyone, who is without RE-presentation. PERIOD. RE-present means to present as something other than as self.

Once one enters, the sharks, lions and vipers are sure to pounce on their victim.

Basically, it works this way the Black Robed Devil send the Gestapo out to pickup the "Trust", "Vessel" {49 USC §§ 1176-1282 Addendum}, Transmitting Utility {UCC 10-104} or so-called "Strawman" or "TIN man". The Gestapo finds you at the appointed address, you identity or accuse self and the Gestapo seizes you as the Fiduciary. They then take you, the assumed Fiduciary, before the administrative magistrate, who CONS or coerces you into becoming the Surety. Does recording of the Commercial Paper discussed in previous paragraphs begin to make sense? He, who files first, WINS!

"...(A)n attorney [THE COURT'S JESTER] occupies a dual position which imposes dual obligations." His first duty is to the courts [THE BLACK ROBED DEVIL WHO IS GOING TO PUT YOU AWAY or EXTORT FROM YOU AS MUCH AS HE CAN POSSIBLY TAKE.] and the public [THE STATE], not the client [A FOOL'S FOOL], and wherever the duties to his client conflict with those he owes as an officer of the court in the administration of justice, the former must yield to the latter." - 7 CJS § 4. "Clients are also called 'wards of the courts' in regard to their relationship with their attorneys." - 7 CJS § 2. "Wards of court. Infants and

persons of unsound mind." Which one are you? "Davis' Committee v. Loney, 290 Ky. 644, 162 S.W. 2d 189, 190." - Black's Law Dictionary, 6th Ed. ALL ATTORNEYS AND JUDGES HAVE AN ATTORNEY ON RETAINER TO REPRESENT THEM; THEREFORE THEY ARE ALL PERSONS OF UNSOUND MINDS. THIS IS MADNESS, BUT IT IS THEIR LAW.

Welcome to the Mad Hatter's tea party!

Florida Rules of Court - "RULES GOVERNING UNLICENSED PRACTICE OF LAW" "RULE 10-1.1 GENERALLY (a) Pursuant to the provisions of article V, sec 15, of the Florida Constitution, the Supreme Court of Florida has inherent jurisdiction to prohibit the unlicensed practice of law. All references herein to "the Court" shall mean the Supreme Court of Florida. (b) Definition of UPL The unlicensed practice of law, as prohibited by statute, court rule, and case law of the State of Florida." Where is a copy of the state attorney's and the judge's license? DEMAND A COPY TO BE ENTERED ON RECORD. Neither of them will be able to produce a copy. They are corporate fictions, artificial entities. They are the straw men, since artificial entities are without a brain and are incompetent. Also, secure a certified copy of the judges oath of office and place a copy, thereof, into court record. THIS IS AN ABSOLUTE MUST, RECORD THEIR OATH INTO THE RECORD of the case against you. Judges are supposed to have a Surety Bond posted; however, most today, have not posted a Surety Bond and some have not even bothered to record their oath.

"No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. One cannot love Yah and Commerce (Mercury) at the same time" - Matt. 6:24

"We write unto you, that you abstain from pollutions of idols." - Acts 15:20 "Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues." - Rev. 18:4

"For Yah so loved mankind, that He gave His only begotten Son, that whosoever believes on, trusts in, relies on, adheres to, and gives allegiance to Him (King Yahshua Messiah) might not perish, but have life with the Eternal." -- *John 3:16.*

THE TEMPLES OF BAAL

SIR DAVID ANDREW

But Luciferians believe on, trusts in, rely on and adhere to paper, Federal Reserve Notes or the CON CONStitution. And, they give their allegiance to a piece of cloth, a flag, and the government for which it stands, state religion. Are you a Luciferian?

What happened to the slogan: "No King by Jesus (Yahshua Messiah)"? Luciferians believe that it is okay to worship King James and King George, who are Knights of Templar, claiming to be deities. Though, many now clamor for Queen Billary, or was that Jezebel. However, King William will be the last straw of this evil British Empire, a lion with eagles wings. Hum!

"For other foundation can no one lay, than that which is laying, which is Yahshua Messiah. But if anyone build upon the foundation with gold, silver, precious stones, wood, hay or straw, each one's work shall be made manifest; for the day will make it plain, because by fire is it to be revealed, and each one's work, of what sort it is, the fire itself will prove." -- I Corinthians 3:11-12.

"No one can serve two masters, for either the one he will hate and the other love, or one he will hold to and the other despise; you cannot be in service to Yahavah (Yah the Creator) and Mammon (Commerce, Mercury) the deity of greed and debasement [at the same time]." - Matt. 6:24

"When I send the sword against the people of that country, take one of their number and post him as a watchman; if he sees the sword coming against the country, he must sound his horn to warn the people. If someone hears the sound of the horn but pays no attention and the sword overtakes him and destroys him, he will have been responsible for his own death. (Since) he has heard the sound of the horn and paid no attention, his death will be his own responsibility. But the life of someone who pays attention will be secure. If, however, the watchman has seen the sword coming but has not blown his horn, and so the people are not alerted and the sword overtakes them and destroys a single one of them, that soul will indeed die for his guilt, but I shall hold the watchman responsible for his death." -- Ezekiel 33:3-6

"As for those of you, who abandon Yah (or Yahavah or Yah-havah, chief title of Yah, the Creator), who forget My holy mountain, who lay the table for GOD (Gâd or Gaud, deity of good luck or fortune, a deity of Babylon, the LIGHT SIDE, so-called morning star or Lucifer, Statute of Liberty, Isis, Semiramis), who fill cups of mixed wine {blood & wine} for Meni (The deity of destiny or fate, the DARK SIDE, evening star, Bohemian Owl, Moloch, Tammuz, Jehovah or Yahweh, deity of perversion or ruin, and child sacrifice.), you, I shall sentence to the sword. All of you will stoop to be decapitated, because you have done what I consider evil, you chose to do what displeases me." -- Isaiah

65:11-12.

Yah, the Creator (Yahavah), is the Deity of Providence. God (luck) and Meni (fate) are His chief enemy. GOD and MENI WORSHIPERS are Yah's ENEMIES. "You shall have NO other deities to rival Me." "I, Yahavah your Judge, am a jealous Deity visiting punishment upon the third and fourth generations of those, who hate Me." -- Exodus 20:3, 5.

I tell you this, today's Judeo-Christians (anti-Christians), Zionist and Luciferians are the fourth generation of those, who hate Yah.

Many hear the sound of the horn, but pay no attention! OFF WITH THEIR HEADS!!

NEXT!

"If My People, who are called by My Name, (Yah is his holy Name.) {Not the name of some false deity, demon.} shall humble themselves and pray, (prostrate themselves) and seek My Face, (His Holiness and Law,) and turn (about face) from their wicked ways (GOD worship), then I will hear from Heaven (beyond or outside limits of space or time) and will forgive (blot out) their evil doings (The forsaking Yah's Great Law of Love and 679 Statutes of Liberty; teaching and practicing the doctrine and traditions of men, Judeo-Christianity [i.e., anti-Christian] or other Luciferian religions, making open mockery of Yah's grace and Yahshua's sacrifice.) {"Faith without works is dead." "The Demoniacs have faith, but no works, and they tremble."} and will heal (make new) their Nation."

I Chronicles 7:14. Wake-up, the healing is conditional. Yah will only heal the Nation, when the IDOLS and the related traditions, doctrines and institutions are removed; and His people about face seeking His Law of Love and Statutes of Liberty. Failing this, a Nation will ultimately be destroyed. However, those, who persevere onto the end, shall be safe, because their future is sure. They shall inherit the earth. And, the wicked shall be cast into outer darkness (heaven, space). Selah!

Are you sure that is where you wish to go?

Hallelujah!

HALLELUJAH!!

Praise Yah!

THE TEMPLES OF BAAL

SIR DAVID ANDREW

Please note, this states "praise Yah"; it does not state "praise GOD" or Hallelugod. See how foolish this Luciferian mentality is. Only, FOOLS argue to the contrary, onto their own destruction. For out of the abundance of their hearts, they speak their folly, proving themselves to be idolatrous Fools, unwilling to be subject to the Emperor of the Universe and his LAW, or the present King of kings, Yahshua Messiah. Therefore, proving themselves to be Babylonians. They are hung by their own tongues and hearts; for they are a rebellious and gain saying people, who are antinomian, lawless. The two core doctrines of Luciferianism are GOD (trinity, 325AD) worship and SUN (day, 321AD) worship; plus couple these with dualism, fallen angel THEORY (460AD), and it is easy to keep the mass of subjects (slaves) in fear and subjection to the Masters (Adept). The first two doctrines being forced upon Christendom under the penalty of death. Are you a slave to their created theory-ology? These are the key marks of the beast.

Is there enough evidence to convict you in a court of law of being Christians?

Go lôôk in the mirror. Think on that! Selah! SELAH! Speak like a Babylonian, act like a Babylonian; it is presumed that you are a Babylonian, and subject to the jurisdiction, thereof. Welcome to Babylon three! And, Babylon four is presently being reconstructed with billions of your taxpayers dollars in Iraq. Dumb sheople, go back sleep!

*The Creator's name is **Yah**, which means most vehement (The Source). {Strong 3050} The term **Yahavah** (or Yahvah) is a title, which means **Creator** or **Yah the Self existing One**. {Strong 1934}*

{In 3068 through 3074 Strong promotes the Jewish (Zionist) Talmudic lie of Luciferianism, by deliberately misspelling of these terms or titles.}

The following two terms are of modern man's creation.

These are names of a false deity of the Luciferians and Fellow Travelers.

*Yah-hovah (Je-ho-vah) means Yah ruins. [**destroyer**] {Strong 1943}*

*Yah-havvah (Yahweh) means Yah covets. [**perverter**] {Strong 1942}*

Having the sense or meaning of being perverted.

I think not!

Changing of "a" to "o" or doubling "v" changes the term and meaning. YHVH means Creator, YHWH means perverter. Those who teach YHWH means Creator are perverters of truth. Arguing that these terms have same meaning, is as foolish as arguing that "see" and "sea" have same meaning.

State Religion and Luciferianism are that which is perverted.

THE TEMPLES OF BAAL

SIR DAVID ANDREW

ABOUT FACE! Lest you be consumed by their evils, and be required to give sacrifice in the Temples of Baal.

If you disagree with anything contained above, then it is up to you to prove these things wrong. If there be any errors, please, send me the proof and I will be glad to make the corrections. However, most folks are incapable of doing anything, but regurgitate vomit, being incapable of:

Studying to show themselves approved unto Yahavah (Creator), workmen, who need not be ashamed, rightly discerning the words of truth. II Timothy 2:15

Calling Yah, the Creator (Yahavah), by the name of a Babylonian false deity (idol), called GOD, is blasphemy. Selah! Selah! SELAH!

The terms deity and GOD are not interchangeable, since GOD is the name of a false deity, a demon, worshiped by Luciferians.

No false deity, creation or creature has equality with Yah, the Great Spirit.

What is the Luciferians' Bible of choice?

The Bible of Masonry is the King James Version, which was written by Knights of Templar, having 66 books.

The Pilgrims and Puritans despised the KJV, and refused to use it. They knew something that dumb sheople, of today, do not. Oops! "For thus says Yahavah (Creator), the Almighty Himself, who created the heavens, who fashioned the earth, made it and established it, Himself. He created it not to be a waste or empty, but to dwell, therein; He fashioned it."

"I am Yahavah (Creator) and there is none else. There is none else that is Almighty besides Me! A righteous Deity, ready to save; there is none besides Me! Turn unto Me and be you saved all you ends of the earth, for I am Deity and there is none else." -- Isaiah 45:18, 21-22. Try reading chapters 42 through 46, and see if there is something wrong with state religion theology. They are LIARS and IDOLATERS!

What don't you comprehend about A, I, ME, HE, HIMSELF or NONE ELSE? I do not see any WE, US or THEY, anywhere. Dumb sheople, who can't even comprehend proper English grammar. Now, either the prophet Isaiah lied, or all state religionists are liars. Selah!

"If it be a vexation in your sight to sever Yahavah, chose you for yourselves this day whom you will serve, whether the idols, which your fathers served that were (in Egypt), or the idols of [Babylon] in whose (nation) you are dwelling; but I and my house will serve Yahavah (Yah, the Creator)."
- Joshua 24:15

There is one Deity and one Mediator between man and Deity, the man [The Man, THE MAN], Yahshua Messiah. - I Timothy 2:5.

The Apostle Paul never, NEVER, taught the GOD-MAN religions of Egypt or Babylon.

Selah! Think of that!
