

The Bush Crime Family And Clintonistas, The Dark Side!

UPDATE and corrections. This is a new and improved edition. If you liked the first publication of this article, then hang-on, I am about to take you for a real ride, almost full disclosure of things that you are not supposed to know. Oops! The Bush Empire is heading for a crash and hopefully it will burn.

Darryl, you will have to, once again, forward this on to the groups, since I have no access. Thank you!

You asked for names; well, here are some more. If I have a bad accident or they try to arrest me again, you will know who and why. By the time the sun comes up over 5000 people around the world will have received a copy of this.

Darryl, did you catch Shrub's speech on Monday? He referred to this as the decade of "Liberty" (that is, the goddess Statute in the Harbor of Babylon), the "1776" and the birth of the "New Age". These are Illuminati buzz words, anti-Christian. Liberty, the Luciferian deity of the Illuminati. 1776 the birth of the Illuminati. New Age is reference to the Masonic Religion of the Illuminati. And, then I hear brain dead Evangelicals make claim that this demoniac is a "Born Again Christian". Wrong! The Muslims have more fitting description, "The Great Satan". The Holy Scripture say as if it were possible to deceive the very elect. Well, Evangelicals are deceived, so is it possible that they AIN'T of the Elect? Remember Shrub has an IQ of 92, so one should not expect him to be able to state anything of much intelligence. He cannot even pass the entrance requires and exam to enter Yale, so you figure out he was able to receive a Degree from Yale. Oh, I almost forgot MONEY talks! However, shrubby is full of what walks!

Darryl, I did not receive any responses from anyone you sent the previous publication. I suspect that the groups, with which you are sharing, are mainly brain dead Evangelicals, who are incapable of any independent thought or expression. They are all sheep prepared for the slaughter.

If you thought that I, had rocked the boat previously, well, hang on prepare for a hurricane. We are headed for some rough water. I am sorry but this article is now 17 pages in length. **My additional comments appear in Bold Maroon Type.**

Sir David-Andrew.

**The exact contrary of what is generally believed is often the truth.

Interesting, very interesting! Why 10 million Frenchmen couldn't have been wrong at the beginning of WWII, and of course 200 million AMERICANS can't be wrong, now. Does anyone want to bet their life on that?

Just dumb sheple being lead to the slaughter.

Go back to the boob tube and do not bother reading this one, it might confuse you. We are about to take a look at the men "behind the curtain". **Warning this is intended for adult consumption.**

A look at the dark side of the oil men from Texas and the banksters from New York.

Subject: RE: Are the Illuminati taking over the world? by Svali

Greetings Darryl:

You will have to forward this on to the groups since I have no access.

I know Cathy **O'Brien** and have met with her twice; and I also have personal first hand eye witness knowledge. **Cathy is the author of *Trance Formation Of America* (1995) < <http://www.trance-formation.com/> > is one of the few mind controlled sex slaves, who has survived the terror of being owned by Papa Bush. He normally keeps these slaves around until the age of 28 and then sells them on the Asian slave trade market or kills them. If any have children while in his brothels, their baby or child is usually offered up as a sacrifice unto Moloch, unless he decides to keep the child around for another play thing. If it is a baby, which they sacrifice then they usually drink the blood from its skull. Skull and Bones member are upper ranking Illuminist, who enjoy practicing sodomy, drinking blood and killing babies and young women, especially, white women between the age of 12 and 21. Papa Bush is one real dangerous and sick PUPPY! If something happens to me, you the reader will know who and why.**

Brice Taylor, author of *Thanks For The Memories* (1999), like Cathy, was "tortured, brainwashed and prostituted by the

Illuminati," which "paints a disturbing picture of how the world is really run." "Both say they were prostituted to world leaders as children." Back in 1974 Congressmen were only paying five hundred dollars night for what ever sexual pleasure or fancy they wanted or desired. Folks, these girls and young women were beautiful, well on second thought most were gorgeous.

Slick Willie likes three black women at the same time, as I reported back in 1995. In November 1992, at his cabin in Mena, Arkansas, Bill spent the weekend alone with three black prostitutes celebrating winning the Presidency. One of these women became pregnant and Bill has refused to pay child support. This has made him a "dead beat dad", which is why he is unable to return to Arkansas. When he left the Whitehouse there were 120 lawsuits filled by women in Arkansas against Bill Clinton.

I have known first hand, since in 1974, I saw several of these sex slave in Sebring, Florida. They were available almost every Thursday night for any Congressman, Senator or other Government Officials, who could afford five hundred dollars. Until I met Cathy O'Brien in 1995, I had no idea what it was that I had discovered or how big the operation really was. I did not have the need to know; all that I knew was that my supervisor told me, the next day after I had reported my first findings, that I had found "a gold mine and to stay on it". To my knowledge, I am the first one to ever investigate Bush's sex slave MK-Ultra operations.

From my investigation in 1974, I was able to discover that there were sex slave operations in Boston, Philadelphia, Atlanta, Chattanooga, Detroit, New York City, St. Louis, New Orleans, Raleigh, Dallas and Denver. There were at least four or five other cities, but I just do not remember which ones. It seems to me, however, that St. Paul, Rochester and Cleveland were among this list. The mistake they made was each of these sex slave made flight booking arrangements through Rex Bond (a local mobster and politician) and his Ridge Travel Agency in Sebring. I personally recorded two telephone conversations involving such bookings.

I AIN'T afraid of naming names. Senator Bob Graham and Judge Mark Richardson, Judge Clifton Kelly, Sheriff O.L. Raulerson were all key players in MK-Ultra operations in Florida back in the 70's. There were several Congressmen who were also involved. All of those Congressmen are now dead, and Mark and Clifton are also dead.

A Elliot Hurst, Richardson's bookie and pimp, Natalie Holland, a white witch **and activity organizer, who was a former multi-lingual college professor**, and Dick Rieser, a warlock, kiddie porn producer, drug dealer, among other nasty occupations **were involved**. All three worked in Richardson's MK-Ultra **drug**, gambling and whore house operation in Sebring, Florida across the street from Publics Super Market; however, when they discovered that I had them under surveillance they shutdown operations and re-opened two weeks later across the street from Harder Hall. I was a better investigator then they gave me credit; though, I was a member of five man team, but this whore house detail was my baby because I found it thanks to Bob Graham and Dick Rieser, who lead me to it.

On Thursday nights, not only did these bureaucRats have the company of a beautiful young lady for the night, there was a gambling casino down stairs with high stakes gambling, where one could loose five hundred on the turn of a card. Too, there were slot machines, black jack table, and roulette wheel. Such gambling in Florida was illegal. Plus there was plenty of cocaine and marijuana for their use, as well; courtesy of Mark Richardson and Bob Graham. "Eat, drink and be marry for tomorrow you shall surely die." The revelry sometimes would last into the weekend. This will be the first time that these demoniacs really know how far that I had penetrated their operations; well, almost know how far!

Bob, AIN'T going to say anything, since I hear that he has already received a care package with several interesting documents a year ago from an acquaintance of mine. Hey, Bob it sure is getting hot out here; it is time for you to retire and go crawl under a rock. Your sodomite buddies are not going to be pleased to learn that you are the one responsible for exposing MK-Ultra operations to a Federal Investigation. Hum! Interesting!

Tricky Dick, (Richard Milhouse Nixon, who I had dinner with in October 1968,) would not allow us to bust any public officials. I have learned since that he was blackmailing most them. I still remember the last words he said to me, the night we met, as he shook my hand saying goodbye, "Stick around we can USE a nice young man like you"; and that they did.

We put Holland, Hurst and Rieser away for two to three years in June or July along with a couple dozen other low lifers **and scum bags**. Two weeks after Tricky Dick resigned from the Presidency we busted over a dozen of the whores and their handlers for possession of one to three kilos of cocaine at various airports across the country. Project Search was a result of this Federal bust. Hey, shrub do you still think that I am making this up, since I have given details that have NEVER been made public! Oops!

Yep, you and all your Luciferian Masonic "fellow travelers" just go on and keep telling the world that I am crazy; however, it seems to me that this is the same tactic used by Hitler against his enemies, but then some his enemies claimed that he was crazy, too. Isn't that interesting, very interesting, that when someone does not think like we do or the way we want them to think, then they must be crazy. Strange when bureaucRats ask the local FBI Agent-In-Charge if he thinks that I am crazy, he laughs and then says "yep", pauses, smiles and then says "just like a fox"! LOL! Why, because he knows more about me then

mother. For any old timers, who have been there, down that, he and I have discussed a few time about being "about J. Edgar's business". Oops! Enough said, shrubs is too stupid to know what that is all about and the general public doesn't have the need to know. Hey Ted, {Gunderson} you have been around long enough, so I suspect that you should know what I just said or almost said, if so, you just learned something that you did not know about me, either.

The Dope Dealers and Handlers in Sebring were working for drug smuggler Bob Graham, who worked for or with drug smuggler Jim Carter, who was in partnership with his drug smuggling cousin George Bush, who also is daddy rabbit of MK-Ultra according to Cathy O'Brien. Daddy bush is the number one drug and munitions smuggler in all of North America. If you do not work for him, you get busted. PERIOD. If you cross him, you get a bouquet of daisy. Carter and Graham were working with Manuel Noriega, a former smuggling partner of Papa Bush's, who got greedy in 1989 and wanted a bigger cut, so papa bush just cut him out of the deal, **as they have now done to Saddam Hussein.**

Papa Bush has been in the smuggling business since 1953; and he made a deal with the CIA in 1958 to share the profits. He and his cousins, the Rockefellers made millions off the war in Viet Nam, Cambodia and Laos; which is what his son and Igor (Dick Chaney) are now doing in Iraq and Afghanistan.

I attempted to put Papa Bush away in February 1987, for smuggling 5 tons of Marijuana; however, over thirty federal Grand Jury Witnesses, who testified or were due to testify against him or Bob Graham, were all murdered. Several Federal Agents were, also, murder. One CIA Agent, Ed Cantrell, who I had personally known since 1970, was flying for Barry Seal, another CIA Agent. Both he, his son and Seal were among those murdered. I believe that Ed's son was flying the plane, a Super Continental, with 4 tons of Marijuana, which was busted at Graham's ranch home in Venus, Florida in October 1986 by Lt. James Poncier, my former supervisor at the Florida Fresh Water Fish And Game Commission. Jim never told me, who the pilot was. But, when I heard about key players having mysterious bad so-called accidents, things begin to smell mighty fishy.

Bob, tell me. Did JFK, Jr.'s and Cantrell's planes come down by the same method? Oops! The Bush Crime Family and The Clintonistas' M.O. was written all over both. How convenient! Tell me, who had something to gain their deaths? Hum, very interesting! Bob, not all people out here are brain dead sheople.

Using an illegal wire tape, (I wonder who authorized such wire tapes.) I first caught Bob Graham on March 25, 1974, giving instruction to someone on how to find the drop point location to collect payment for a shipment of cocaine, which had just landed at the Sebring air field. He was caught and busted with 3 tons of Marijuana at his Venus ranch home in July 1980; however, his ranch foreman was paid well to take the fall in Graham's place. Hey Bob, in case you have forgotten there are still copies of that tape available. Oops!

For the bust in October 1986, Lt. Poncier, a 17 year veteran Game Commissioner, was fired; I had been laid off by so-called budget cut several month early by the then Governor Bob Graham, though that still did stop Jim and I from working together. Graham closed four State Game Management Areas, one man from one of the closed Game Management Areas had seniority and took he my position. Graham now operates one of the closed Game Management Areas as his own private Hunting Preserve; though there was considerable among of improvements made to its land and facilities at taxpayers expense. He even built two runways on this land using taxpayers money before he left Office. This Hunting Preserve is located in Glades County, just south of his Ranch in Venus, Florida. Drug smuggling planes still come and go from these airfields unbothered by law enforcement. Bob cares not how many children his dope has murder in this country every year. Bob Graham is a cold blood murder.

Ten local pigs, including the chief of police, who were involved in Graham's drug smuggling and distribution were forced to resign (between December 1985 and March 1986) from their jobs, because Jim and I exposed them. We had photographs of six of these pigs selling dope on the streets from their patrol cars. The State Prosecutor (**Joan Hughes, a known and open lesbian**) refused to prosecute them. She asked them to resign to save the community public embarrassment. **Joan absolutely despises me and has done everything that she could possibly do to have me put away for a long time.**

Sheriff Joe Shepherd was caught three times, on video by a Florida Highway Patrolman, downloading cocaine to the trunk of his car. He was subpoenaed to testify before a Federal Grand Jury in October 1988. He was facing 10 years; he turned state evidence and was to testify against Bob Graham. V.P. Bush tampered with the Federal Grand Jury and had Shepherd's testimony postponed until after the election; he was rescheduled to testify in November. After winning the election, Bush again had Shepherd's testimony postponed until January 1989. Shepherd was slipped a Mickey-Fin a few days before he was to testify and he died of a massive heart attack. I personally called U.S. Prosecutor Robert Merkle to urge him to seek a court order for an autopsy. He refused and there never was an autopsy, case closed.

Sheriff Joe Keene had been murder 20 years earlier by the same method and there was no autopsy in his case, either. Sheriff Keene died within days seeking warrants for conspiracy to commit murder against two to five prominent local business man. One of which has been named else where in this report and I believe the others are now all dead. Joe Keene was the first honest Sheriff in south central Florida in nearly fifty years and I had the honor of assisting him in this investigation because of

my personal relationship with the Families involved. The actual assassin was hit himself and was found dead in the trunk of a car in Boston. There is no honor among criminals; and there usually nothing personal, it is just business.

Seven articles appeared in *The Spotlight* in 1976, about Jim Carter and his involvement with Manuel Noriega in smuggling Cocaine, the "Panamanian Connect". In 1989, Carlos Lahder, the Columbian Drug Lord and assassin, was sentenced in Federal District Court in Jacksonville, Florida, to life in prison plus 135 years without any chance of parole. Bill Clinton pardon Carlos in 1995 on the condition that he would do a hit on Ron Goldman. [See verified Affidavits by Investigator Garth Wean (Author of *There's A FISH In The COURTHOUSE.*) contained in the Los Angeles Sheriff Department Investigation Reports.]

Garth died last August the same week I was hospitalized. Garth was, also, a witness to the conspiracy and plot to murder John Fitzgerald Kennedy. Garth in verified Affidavit in February 2004, named George Bush, Sr., George Shultz and Casper Weinberger as co-conspirators. There was an attempt on my life while I was at the hospital.

In 1986, Bob Graham (**Dem**), drug smuggler, ran for U.S. Senate; and Bob Martinez (Rep) and Bill Padgett (Dem) ran for Governor. Both Martinez and Padgett were, also, drug smugglers. In Florida, Padgett was the drug lord or king pin in charge of smuggling north of Highway fifty and Graham was the drug lord or king pin in charge of smuggling south of Highway fifty. Martinez worked with or for Graham. Martinez became the first U.S. Drug Czar in 1989 under king George I, there had never been such an office prior to that. Isn't it nice to know that a **jackal** is in charge of watching hen house? **Go to the polls and vote, vote for the dope dealer of your choice, but vote! Suckers! And, you wonder why they can't count the votes in Florida. Hum!**

Josef Stalin: "It's not who votes that counts, it's who counts the votes!"

Anastasio Samoza: "You won the vote, but I won the count."

Did you know that Prescott Sheldon Bush, shrub's grandfather, financed both Hitler and Stalin? Did you know that Bill Clinton and George Bush are double cousins? Did you know that both George Bush and Al Gore are direct descendants of King Charlemagne, the last Emperor of the Roman Empire? Did you realize that the United States is a Dynasty? Did know that all Presidents since Lincoln (Abraham Springsteen) have been direct descendants of the Kings and Queens of England? Did you know that Bill Clinton is the **BASTARD** grandson of John D. Rockefeller? Did you know that George Bush, Dick Chaney and Collin Powell are, also, cousins? Folks, we have been had! It is all a CON!

One night in 1986, I sat on the radar watch at U.S. Custom's Station on Marco Island. Folks, using 1986 technology there is no way for any vessel or plane to enter United States borders. So, what is their excuse in 2005? Within an hour I watched 54 vessels cross the twelve mile limit on the radar screen. I asked the radar operator what if we were to go after a vessel that night, how we would determine which were legal or illegal crossings. He said that is easy and picked up a clipboard containing a list of 14 vessels, with name and registry; he then began to point out which vessel was which on the radar screen. I then asked him if the balance of vessels on the screen were illegal entries, and he said yes. I then asked him if it was okay to go after any of the remaining vessels? He replied, no. I then asked him, well, how would I determine which vessel not to go after? He replied that is easy and he picked up another clipboard and began to point out 17 more vessel by name and registry on the radar screen. I was shocked. I then asked why those vessel could not be boarded. He stated that "We have orders from the Whitehouse not board these vessels." What? Smugglers illegally entering U.S. borders with blessings from the Whitehouse! That left 23 other vessels illegally entering U.S. waters which could be pursued.

Problem the Marco Island station only had two or three Cutters at any given time. The most that could possibly be boarded in a night would be one to three, depending on the availability of man power, which means all the rest have free sailing. Something is wrong with this picture. In 1989, George Bush even cut the number of available Cutters in south Florida. I applied to fill a vacancy as purchasing agent in south Florida for the U.S. Coast Guard, with hopes of salvaging dry docked assets. I was turned down for the position, because Washington had no interest in doing so.

I highly recommend the HBO Documentary Movie produced in 1991 called *Doublecrossed*, starring Dennis Hopper as Barry Seal. When I first saw this movie in 1992, I cried because "I was there". Most of the events in the film are quite accurate. This movie can be purchased from Block Busters or on E-Bay. There is a bogus movie produced in 1994, called *Double-Crossed*. Do not make the mistake of purchasing the wrong movie.

Then too, there was Terry Reed, former CIA Agent, who spent a weekend with Barry Seal, George Bush and Bill Clinton at Mena, Arkansas in 1986, **discussing the moving and setting up the smuggling operation for Iran-Contra, guns for drugs, from Louisiana to south Florida.** Terry came to visit me in the fall of 1995. Terry discusses some of these events on Alex Jones' video, *Police State 2000, The Take Over.*

Then, what about *Nation Betrayed* a video produced by Colonel James Bo Gritz back in the 1987? This is a video about drug trafficking from southeast Asia. General Khun Sa from Burma in this video declares that George Bush, Sr. is his number

customer for opium and heroine over 1200 tons annually, and that Richard Armitage is Bush's bagman. Richard Armitage presently is the Deputy Secretary of State in King George, the Second's, administration. And, you moron Evangelicals still wish to believe that little George is "born again", HOG WASH! His actions speak louder than his words.

To my knowledge there are only six or seven of us that are still alive, who were involved in the arrest of Berry Seal, 1986, the bust at Grahams ranch in October 1986; and the take down of a DC4 in February 1987, which departed early morning from Lakeland, Florida with lights out, loaded with munitions. And, flew to Honduras, downloaded and then on to Panama where it refueled and then loaded with 5 tons of Marijuana. However, this shipment was forced down over the Yucatan Peninsula, because U.S. Customs again had been ordered not to interfere with its flight. One simple telephone call scrambled two Mexican Air Force Jets. Oops! Too bad Georgie, you lost that one.

However, I was not please with that same DC4 buzzed my house about an hour past sun down, lights out, loaded with Marijuana, on Christmas Eve 1987. I suppose it was preparing to land at Indian Lake Estates, where we got a DC3 the year before. Now shrubby, there are some facts which are totally off the recorded. Ask you pop or bobby, if these are true, it was their plane load of dope, they should know. I wonder if their log books are as good as mine? The fat lady has not yet sung! Though, many a whistle blower has; and there are many more, who are ready to sing.

Like Larry Nichols, I have had some ruff times. I have been beaten seven times by crooked pigs, shot and pistol whipped to unconsciousness; and, have been thrown into jail five times and state prison three times without ever being tried or convicted of any crimes, with a total of 704 days in iron bar hotels. At least a half dozen attempts were made on my life while in prison. **I even spent 24 hours in ICU as the result of a beating, which I received ten days before my release, resulting in two broken facial bones and two broken ribs. About three weeks later two Deputies Sheriffs decide to use me as a punching bag again, in hopes of being able to trump-up more charges against me.**

All this being down against me as result of orders from Senator Bob Graham and County Commission Chairman Doris Gentry at a conspiratorial meeting held in May of 1996. Doris **and David Flowers, another County Commissioner, ordered Sheriff Howie Godwin** [Howie is now a professional wrestler with Florida Championship Wrestling Federation.] to trump-up charges against me, but he refused to do so, **however, they convince the Chief of Police to do so. I was harassed and threatened numerous times from the end of May through November. I was shot in November 1996 and thrown into jail by city pigs, one of these pigs I had been trying to get busted for selling drugs for over two years. Strange, the Chief of Pigs attended the same Police Academy as I. He started during my last semester; I was, also, President of the Police Student Association at that time. Chief Tony VeLong sold me out for bribe; and three years later he resigned.**

I have a sworn statement from an eye witness, who was present at that meeting of public officials in May of 1996 **detailing the event.** Doris is also known to me to be a drug smuggler, who has worked for Graham since the 1960s. **I have worked in education for or with her husband, a school principle; who I have always liked since I first met him in 1967 at the Girls School, Hillcrest Academy. I have five years as a substitute teacher. He has always treated me well; however, Doris has treated like dirt.** Doris, also, has a considerable say in the curriculum of educational studies and books in Florida; isn't that just wonderful!

And, now you know about some more pieces of the interesting puzzle called the Illuminati and the names of some of the movers and shakers. Would anyone, wish to know why baby shrub is now governor in Florida? Well, I know some reasons that you will never here about on the 6:30 News. And, would anyone, wish to know why his cousin Winfred Rockefeller was living in Miami for a while but is now back in Arkansas? Does anyone wish to take a guess? If know these answers than as Paul Harvey say, "Now you know the rest of the story." Oops! You good folks ain't supposed to know this.

Winfred Rockefeller, Bill (William Jefferson Rockefeller Blythe, III) Clinton's first cousin from Arkansas, move to Miami and started a Yacht Club when Bob Graham was elected to the U.S. Senate and moved to Washington, District of Criminals. Winfred moved to Miami to manage the family business while Graham was in Washington. Then Slick Willie was elected as President in 1992, so Winfred had to go back to Arkansas to manage the family business, since Slick was now living in the District of Criminals as well. So baby Bush replaced Winfred by moving to Florida to take over managing the family business, SMUGGLING. Not only drug and munitions, but slaves, as well. I published an article in 1996, shortly before they threw me into state prison (without probable cause, trial or conviction), exposing Jeb Bush for operating a slave labor camp in Brooksville, Florida. If one would take the time, it can be discovered that both Bush's and Clinton's ancestors were slave traders prior 1776. Baby Bush is still involved in slave labor and slave trade. Papa Bush is the king pin in white slave trade and prostitution; that is what MK-Ultra is all about.

The United States has the largest prison population in the world and Florida has one sixth of that population.

And, as Paul Harvey says, "Now you know the rest of the story."

DOPE, WAR, SLAVES AND MORE DOPE!

Sir David-Andrew.

P.S. -- I have access to a copy of *Morals and Dogma*, if anyone wishes some sick quotes from its pages. This is the Bible of the Illuminati and the real world of whoremongers. However, I do believe that Nixon's opinion of this matter was right on point. Reagan, also, expressed a similar opinion of this matter.

Stay tuned to this channel, there are more goodies on the Illuminati yet come.

IT'S STORY TIME AND GREAT WORDS OF TRUTH!!

"Should any political party attempt to abolish social security, unemployment insurance, and eliminate labor laws and farm programs, you would not hear of that party again in our political history. There is a tiny splinter group, of course, that believes that you can do these things. Among them are a few Texas oil millionaires, and an occasional politician or businessman from other areas. Their number is negligible and they are stupid." - President Dwight David Eisenhower, 1952, Republican

If these Texas oil millionaires are STUPID, what does that make their followers?

FOOLS!

But, then to come to think about it, that is exactly when George Bush calls them.

FOOLS!

Oops!!

"Whoever controls the money of a nation, controls that nation. -- Nathan Rothschild

- Richard Millhouse Nixon.

On the Watergate tapes Nixon is heard agreeing with Billy Graham that something had to be down about the "**Jewish stranglehold**" on the mass media or the "**country will go down the drain.**" Now, I wonder why Nixon was impeached, HUM!

The Zionists have said for a long time that

"Once 10% of the Goyim Understand, the Game is Over."

It ain't funny any more.

Subject: Are the Illuminati taking over the world? by Svali

Author: Svali

Published on: November 25, 2000

Please note: this article mentions Christianity and prayer in detail.

What I will be writing on is a controversial topic, one that cannot be answered easily. If a person states that the Illuminati are planning to rule the world, many in the media immediately label the person as a "conspiracy theorist" with the wild-eyed look of Mel Gibson in the movie of that name. Or accuse them of "fanatical fundamentalist Christianity" as if that were an epithet (oh, that we lived in a world where that was considered highest praise instead of a term of shame).

On the other hand, to ignore the evidence that appears to be accumulating worldwide would take either a large dose of denial (which is apparently available in maximum dosages in many media quarters) or a desire to ignore the obvious.

Other factors also complicate answering this question readily.

1. Members who are survivors of this group, and who leave, are reporting what they were taught within the text of cult programming. It can be difficult at times to separate cult rhetoric from the actualities that are occurring, or events may be interpreted with a bias due to the programming.

This is a major problem. Most so-called Christians, today, are state religionist, who practicing Judeo-Christendumb, which teaches the doctrines and traditions of Luciferianism, the religion of the Illuminati, a religion of superstition and witchcraft.

2. People will also be influenced by other factors, including : their core beliefs about humanity, religious faith, the nature of good and evil, and the possibility of organized abuse on a global level.

Nowadays, most people's core beliefs are Luciferian and they are anti-Christian; however, they think that they are Christians. That is why it is difficult for most folks to accept the truth about the Illuminati and the "13 blood Lines" from HELL.

I readily admit to all of the biases above, and ask that the reader be aware of this. I am still trying to undo the influence of a lifetime of being taught lies, lies which I once believed whole heartedly. Lies which make it difficult even now to sort truth from fiction, teaching from fact.

Let's talk. I have been on that path for over thirty years. Maybe I can help you catch-up.

But I also believe it is important to share what I know about the agenda of what I believe is one of the most destructive organizations operating today.

The Illuminati and all its sub-organizations or cultures, Masonry (especially, 33° through 110°; most of the lower 32° are

brainwashed and duped.), Jesuit Brotherhood, the Black Pope, Club of Rome, Rhodes Scholars, The Trilateral Commission, The Council on Foreign Relations, The International Bank of Reconstruction, the Bank of London, The First Church of Satan, The Church of Conceptual Truth and all their members and supporters.

Until the age of 38, I was a programmer with this group, and as such I was aware of much of the underlying agenda behind the programming. I had to be. I was teaching other trainers to do their jobs better, more efficiently, and as a former member of the group, totally "sold out" on the ideology that motivated me, I became excellent at what I did. The reason? I believed that the group would rule the world within my children's lifetime. In fact, I was told that my children would be leaders in the New order, which would be brought in by the middle of this century.

I became aware of the Illuminati in the early 1960s; however, I did not realize until August 1973, how much the Illuminati had influenced my belief system, especial, my spiritual beliefs. Most Evangelical Churches, today, reek with the stench of Luciferian Doctrine and Traditions, with the Union Congregational and the Southern Baptist being among the worst. It is, also, impossible to convince someone when they have been programmed unknowingly with the mind set of a Illuminist. Oops!

I was taught this from infancy on. My parents believed it, the leaders around us taught and believed it. And the things that I saw certainly showed great organization and concentrated effort towards this goal.

My grandfather and his father and two of my uncles were practicing Illuminist with 32° degrees. My dad, who was brought up under such influence, still teaches and practices many of these trash doctrines even though he recognized the evil of the Illuminati years ago. My dad even received a personal invitation from David Rockefeller to join the Council on Foreign Relations over thirty-five years ago; thankfully he declined the offer.

Most of my relatives are aware of the Illuminati, but they refuse to stop practicing Illuminati traditions. Reindeer, trees, lights, nymphs, rabbits, eggs, demons and witches are just, oh so much fun! The masses just seem to enjoy chasing down all these fuzzy endless rabbit trails of idolatry.

Few ever come to accept the centrality of the Good News to man and true peace to men of good will. Now that is not how it is taught or stated by state religionist, who teach and practice double-mindedness.

What things did I see that indicated this? There were several:

I saw a large amount of money being used to fund the projects of this group, funds that poured in from around the northern hemisphere and the world. Couriers were sent to the corners of the globe, and many of the top financial institutions had a vested interest in bringing this "new world order" to pass. This was discussed in leadership meetings; shown in videos to members of the group (such as the grainy films I saw in the 1960s showing a large round table with 13 members sitting around it, and the words "these are your leaders" spoken as the members rose and pledged allegiance to the coming new order. I will not mention the figures shown in this film in order to avoid the claim of "libel" but they were well known, influential, and many were behind the banking system of the modern world.

Here this author demonstrates his gutlessness and fear of Illuminati. I will mention these low lifers and scum bags. I have shouting there names from the roof top, since 1989. There two excellent books available on this subject, which name names. Contact me for information on how to obtain copies.

The Illuminati are funding this coming world order quietly, behind the scenes. They believe that money not only "talks" as the saying goes, but buys media coverage, or silence; protection; and the influence needed to shape our modern world. "As the economy goes, the nation will go," I was taught in my teens by leaders in this group. They are practical pragmatists, in spite of their occult bent, who understand the motivation that drives much of mankind: greed, or the desire to gain wealth and power.

Well, it seems that the G8 are meeting in Scotland this very week and their meeting is secret, but they are doing so in your face, not behind scenes. Guess what; they are not welcomed in Scotland. They are so desperately attempting to gain support for attacking Iran they staged a seven bombing in London. Check out the numerology: 444, 333, 777, and 666 all apply. These bombing have the MARK OF THE ILLUMINATI (beast) written all over them, just as the murders of Terri Schiavo and Pope John Paul did. Several good folks have already posted the numbers on the net.

Other indications of the worldwide agenda: The Illuminati have been slowly linking themselves with other world wide occult and religious organizations over the years. There are no press releases announcing the merger of Illuminist intellectualism with a local coven's leadership, but this has been occurring with regularity over the past decades. They have been funding paramilitary groups, extremist groups, and any groups with an agenda that includes hatred, ego-centricism, racism, or other isms to an extreme.

They are funding educational institutions, believing, and rightly so, that the youth of today will be molded by their

education. **[Into their IMAGE, which is what hu-mans like the Gentrys in Florida have been doing for the Illuminati for forty years.]** This influence is subtle, but certain classes have been opened up, or certain instructors brought in, due to the subtle influence of quiet businessmen who has contributed heavily over the years. Again, the cynical pragmatism of the Illuminist leadership comes out, as they wield influence with financial power; power gained, unfortunately, through their esoteric practices and contracts with evil.

Local and national media have been influenced for years by their financial pull. I was taught that the average person would be slowly and unknowingly "edged towards" acceptance of more and more immorality and idolatry. All a person needs to do is read or look at a magazine from the 1950's and compare it to those on the market today; to watch a movie from 50 years ago (when John Wayne was considered "action") compared to a modern tale of violence and spirituality; or compare the changes in modern television programs to see that the media has had an enormous (and, I was taught, calculated) impact on society.

Why immorality and idolatry is ramped? Because illuminists are whoremongers, who practice homosexuality, bisexuality, prostitution, pedophilia, or a combination of these. It is plain and simple, illuminist are SODOMITES, perverts and a blight to society and have been, just as those of old since the time of Sodom and Gomorrah. SODOMITES destroyed the Alexandrian and Roman Empires, as well. However, they have been organized since 1776 with intent on destroying they whole world.

The Illuminati have not created our modern society's ills or weaknesses. But they have encouraged and exploited them, often laughing at the gullibility and lack of moral fiber of the "average citizen". We as human beings have created the familial and social climate that is present today in our country. More and more, this is a climate adversarial to fundamental Christianity and morality. Mankind without God will turn to fill the vacuum, and the Illuminists and other occult groups have rushed to fill it.

Here the author demonstrates that he is still brainwashed by Illuminati Talmudic Luciferian doctrine and traditions. "Human beings" are monsters, beast or man like creatures. He might be one of these, but I assure everyone that I am not; I am man, not hu-man.

The sooner; mankind is without GOD the better. GOD is the chief deity or idol of the Illuminati. Yah is the Deity of Holy Scriptures. GOD is the chief enemy of Yah, the Creator. GOD is the deity of good luck and good fortune, a deity of Babylon. Isaiah 65:11-12. See Scripture quotes at end.

If any of you pray to GOD, you are wasting your time, since GOD is DEAD and hears you not. She is a statute of stone, which stand in the Harbor of Babylon (NYC). GOD is a Talmudic Luciferian idol. Wake-up! It is time to leave the land of OZ.

Yah is the ONLY living Deity. Yah is the Creator (Yahavah) and Deity of Holy Scripture. Yah is the Father of Abraham, Isaac, and Jacob. The truth here is earth shattering and breaks the bonds of the Illuminati, which are up on each of you. This is not an issue of semantics; it is an issue about accepting truth verses brainwashing.

Chose this day, who you will serve. Will you serve Yah, the Almighty Creator of Heaven and Earth, or will you continue to serve GOD, an idol of the Luciferian's making?

GOD is the deity from the North Pole. GOD is the deity of the Easter Bunny. And, one must go the Emerald City (City of Green) to be blessed by GOD. GOD worship is SUN worship. Do you get the picture? Quick!! Where is the channel changer; I do not wish to here this! If that is the case the Illuminati still owns your soul and you are without hope; being part of the problem and not the solution. There is no separation of religion and state. State is religion and it is demonic Luciferianism; therefore, Christianity and Islam must be separated from all States. Truth Christianity and Islam are alien to Talmudic Luciferianism. Fascist or Zionist Jews and Judeo-Christians are Talmudic Luciferians, who truly are anti-Christian and anti-Muslim. You must decided, who is good and who is evil and then separate yourself from the children of darkness.

Are the Illuminati out to rule the world? Yes, and this is what they teach their members. They are working avidly towards this goal even as I write. Will they succeed? Not if our nation turns to prayer and repentance, and asks the mercy of God on the world. **(I Chronicles 7:14; see below.)** The Bible teaches that only God knows when the end times will come, and also teaches that God is holding back that time in order that "none may perish", that all may have a chance to repent and turn to Him. This kind of faith can prevent the domination of evil in a world that often seems hopelessly snared in the coils of the enemy. The choice is up to us. God offers the choice, and we must decide to take a stand and pray. To pray for our nation, to pray for individuals caught in groups that teach lies and deception. To pray for ourselves, for the spiritual strength to resist evil when it occurs and to choose righteousness and the love of Christ instead of selfishness. To be those who are not merely bystanders, watchers of moral decay, in a world where evil won because "good men did nothing", but instead to be those who follow Jesus and "did something" to make a difference.

These are trash books. These are books, which mix truth with Illuminati propaganda. The illuminist just love books like these. To believe or swallow trash like this, one must be inept about scriptural Truths, since these book are of the Occult, the DARK SIDE! The author appears to be attempting bring the simpleminded from the LIGHT SIDE of witchcraft to the DARK SIDE of witchcraft, as the solution to the problem. The is called bait and switch. It is like jumping out the pan right into the fire. Oh, how sick and naive do they believe the populace to be?

Try reading the books or viewing the videos, which I have recommend on the Illuminati, for some real eye openers.

“For Yah so loved man, that He gave His only begotten Son, that whosoever believes on, trusts in, relies on, adheres to, and gives allegiance to Him (Yahshua) might not perish, but have life with the Eternal.” -- John 3:16.

“No one can serve two masters, for either the one he will hate and the other love, or one he will hold to and the other despise; you cannot be in service to Yahavah and [Commerce] (Mammon) the deity of greed and debasement (at the same time) .”

"When I send the sword against the people of that country, take one of their number and post him as a watchman; if he sees the sword coming against the country, he must sound his horn to warn the people. If someone hears the sound of the horn but pays no attention and the sword overtakes him and destroys him, he will have been responsible for his own death. (Since) he has heard the sound of the horn and paid no attention, his death will be his own responsibility. But the life of someone who pays attention will be secure. If, however, the watchman has seen the sword coming but has not blown his horn, and so the people are not alerted and the sword overtakes them and destroys a single one of them, that soul will indeed die for his guilt, but I shall hold the watchman responsible for his death." -- Ezekiel 33:3-6

"As for those of you, who abandon Yah (or Yahavah or Yah-havah, chief title of Yah, Creator), who forget My holy mountain, who lay the table for GOD (Gâd or Gaud, deity of good luck or fortune, a deity of Babylon, the LIGHT SIDE, so-called morning star or Lucifer, Statute of Liberty), who fill cups of mixed wine for Meni (The deity of destiny or fate, the DARK SIDE, evening star, Bohemian Owl, Jehovah or Yahweh, deity of perversion or ruin.), you, I shall sentence to the sword. All of you will stoop to be decapitated, because you have done what I consider evil, you chose to do what displeases me."

-- Isaiah 65:11-12.

Yah, the Creator, is the Deity of Providence. God (luck) and Meni (fate) are His chief enemies. GOD and MENI WORSHIPERS are Yah's ENEMIES. "You shall have NO other deities to rival Me." "I, Yahavah (Creator) your Judge, am a jealous Deity visiting punishment upon the third and fourth generations of those who hate Me." -- Exodus 20:3, 5.

I tell you this, you, Judeo-Christians, are the fourth generation of those, who hate Yah.

Many hear the sound of the horn, but pay no attention! "Off with their heads!!!"

"If My People, who are called by My Name, (Yah is his holy Name.) {Not the name of some false deity, demon.} shall humble themselves and pray, (prostrate themselves) and seek My Face, (His Holiness and Law,) and turn (about face) from their wicked ways, (GOD and other idol worship) then I will hear from Heaven (beyond or outside limits of space or time) and will forgive (blot out) their evil doings (The forsaking Yah's Commandments and 679 Statutes of Law; teaching and practicing the doctrine and traditions of men, Judeo-Christianity or other pagan religions, making open mockery of Yah's grace and Yahshua's sacrifice.) {"Faith without works is dead." "The Demoniacs have faith, but they tremble."} and will heal (make new) their Nation."

-- I Chronicles 7:14.

Wake-up, the healing is conditional.

Yah will heal the Nation, when the IDOLS and the related traditions and doctrines are removed; and His people about face seeking His Law of Love and Statutes of Liberty.

Hallelujah!

HALLELUJAH!!

Praise Yah!

All you Judeo-Christians and Heathens can now go back to sleep and enjoy your bondage, since the outlook of your future is very poor.
